Grading Rubric

| | | | | | |
|--|---|---|---|---|---|
| <i>Key Information Presented</i> Important information from the selection is presented. The video presents information that is relevant to what we are learning. | 0 | 1 | 2 | 3 | 4 |
| <i>Script</i> The script is written and proofread. | 0 | 1 | 2 | 3 | 4 |
| <i>Length</i> The video must be longer than 20 seconds, containing at least 20 slides. | 0 | 1 | 2 | 3 | 4 |
| <i>Introduction</i> An introduction must be made before displaying the title slide. The introduction should include a preview of what will be learned. | 0 | 1 | 2 | 3 | 4 |
| <i>Storyboard</i> Your storyboard must be drawn for each picture. It must include at least 20 slides, and it must be in color. | 0 | 1 | 2 | 3 | 4 |
| <i>Staging</i> Appropriate staging and blocking of movements are done. This is the way the video is presented. Proper cues should accompany the script, and this should be WELL thought out before the video is produced. | 0 | 1 | 2 | 3 | 4 |
